Analítica

We conduct a descriptive, narrative, critical analysis of the international scientific literature and the national precedent in the case-law on sexuality with minors. The Spanish Organic Laws 5/2000 Regulating Minors' Criminal Liability, 1/2004 about Measures for Comprehensive Protection against Gender Violence, 1/2015 modifying the Spanish Organic Law 10/1995 of the Penal Code will be discussed among other abundant health references and legal precepts. The matter of sexual consent of minors in Spain, just like in other countries, is delicate and quite controversial from the legal, ethical and psychopathological perspective
