Analítica

The Association Agreement between the European Union and Central America seeks to deepen ties between the two regions. In particular, try to consolidate an alliance between two regions, taking into account the efforts and discussion forums have jointly undertaken in recent decades. The paper recognizes the strong affinity of values, principles, common interests and concerns, allowing despite its asymmetry, reinforce and strengthen relations between regions. Consummated, displayed significant relationships that encourage potential areas of cooperation related to the defense of the core values of freedom, democracy, human rights, rule of law, among others. Thus, the letter invites you to learn more about this instrument, which can mean an important alternative development, and that surpasses the idea of a Free Trade Agreement, and includes issues such as development cooperation, political dialogue and commercial
