Título: Aeromagnetic and gravity data over the Central Transantarctic Mountains (CTAM), Antarctica, a website for the distribution of data and maps electronic resource] by E.D. Anderson ... [and others] ; U.S. Department of the Interior, U.S. Geological Survey ; in cooperation with National Science Foundation, Bundesanstalt für Geowissenschaften und Rohstoffe, and University of Minnesota, Duluth

Edición: Version 1.0, posted September, 2006

Editorial: Denver, CO U.S. Geological Survey 2006

Descripción física: 1 electronic map HTML. digital, PDF file

Variantes del título: Aeromagnetic and gravity data over the Central Transantarctic Mountains

Mención de serie: Open-file report 2006-1255

Nota general: Title from HTML index page (viewed on Dec. 28, 2006) Includes location map (Report PDF file)

Detalles del sistema: Mode of access: Internet from the USGS web site. Address as of 9/25/07: <http://pubs.usgs.gov/of/2006/1255/>; current access via PURL System requirements: PC with Internet access, and Windows XP, version 5.1, and ArcCatalog 9.0.0.535 installed
