

# **Análisis Económico del Derecho de los Mercados Laborales Colaborativos y los Web [**

2022

text (article)

Analítica

He has made an interest in collaborative labor markets and the Web Companies that promote them. Collaborative economy, care, Disruptive, FreeLancer, Gig Workers or know mads, represent a scenario that is believed to be outside Colombian labor legislation, but for the economy, it is within the framework of the information that agents must reach labor agreements. The methodical presentation was based on exploratory, descriptive, and explanatory methods and, the methodology, part of the Auxiliary Source of Law, the Economic Analysis of Law, to be able to promises the central matter. In line with the central theme, the presentation revolves around exploring, describing, and explaining the scenario in which the Collaborative Labour Markets and Web Companies move as the first hit of it. Following this, the reasons why these labour markets cannot be considered under the known legal mechanics are explained, and finally, an economic-Jurassic body arises after which to explain this unusual labour market. Beyond the labor alterations they generate, they represent a niche work that must be studied with creativity, foundations, and clear reasons today.
