

# El gofio canario: Aspectos históricos y nutricionales [

2001

text (article)

Analítica

Ancient Gran Canaria's island inhabitants named gofio to toasted barley, that was milled afterwards, instead guanches, inhabitants of Tenerife island called it "ahoren". With spanish colonisation, the term gofio was common in all Canary islands lo define a toasted cereal flour, and with America's discovery, was included also corn flour, today's most popular gofio. We discuss the historical and dietetic aspect of this food
