Fashion is a dynamic global industry that plays an important role in the economic, political, cultural, and social lives of an international audience. It spans high art and popular culture, and plays a significant role in material and visual culture. This book introduces fashion's myriad influences and manifestations. Fashion is explored as a creative force, a business, and a means of communication. From Karl Lagerfeld's creative reinventions of Chanel's iconic style to the multicultural reference points of Indian designer Manish Arora, from the spectacular fashion shows held in nineteenth cent
