"The 1955 complete revision of the Ohio Corporation Laws, sponsored by the Ohio State Bar Association through its Committee on Corporation Law, became effective on October 11, 1955. The revision resulted in renumbering of the sections and numerous substantive changes in the law relating to corporations for profit, and in virtually an entire new non-profit corporation law. These legislative changes and the intervening judicial decisions have required an extensive revision of the text of the original volume of 'The Ohio Corporation Desk Book, ' edited by Jay P. Taggart, first published in 1940 and revised by the authors of this edition in 1951"-- Preface, page iii
