

# Eurobonds : concepts and implications : compilation of notes for the monetary dialogue of March 2011

Wyplosz, Charles  
Dehesa, Guillermo de la

European Parliament,  
2011

Monografía

The idea of eurobonds has been developed and put forward since the beginning of the sovereign debt crisis. This compilation of notes provided by members of the Monetary Experts Panel explains the different concepts and discusses their feasibility, advantages and disadvantages
