

Sämtliche Werke : Lateinisch-deutsch /

Horacio Flaco, Quinto,
author

Satirical literature.

Iambic poetry.

Odes.

Personal correspondence.

Monografía

Horace is one of the leading poets of antiquity. His satires, epodes, odes, and letters greatly shaped the poetry of the modern era; his odes in particular provided an important template for the development of lyric poetry. His works are assembled here for the first time in the order in which they originally appeared. The volume also contains background information on Horace's poetry as well as explications of individual works
