

Arbitraje de consumo: Bases dogmáticas de un modelo para el acceso a la justicia del consumidor en Chile desde la mirada del derecho internacional y comparado [

2022

text (article)

Analítica

This work deals about the general dogmatic principles and foundations that describe and model arbitration on consumer matters, taking into special consideration the nature of consumer relationships and the inequality that exists between the parties of the conflict, provider and consumer. For this, the development shown by international law and particularly European community law is collected, with a view to its regulation in the Chilean legal system in particular
