

"CALL" computer assisted language learning [

2008

text (article)

Analítica

CALL is an acronym in English which can be translated as "Computer Assisted Language Learning". That technique has been supported and used by uncountable learners of Languages through last years and it is based on the increasing use of Internet, Multimedia and new technologies, as a part of a didactic resource inside the classroom. CALL takes its part in the Language teaching traditional pedagogy, presenting all kind of virtual tools for teachers and students of a Foreign Language; helping the process of formation for being much more personalized, interesting and attractive
