

The Advantages of L2 Translation in The Cat in the Hat: A closer Look at Translation Directionality [

2009

text (article)

Analítica

This study focuses on translation directionality; in particular, translating to one's second language. Based on a Spanish translation of the children's book The Cat in the Hat, by Dr. Seuss, this article discusses certain methodological advantages of translating to one's second language: cultural competency, an appropriate understanding of the source text, and an enhanced linguistic awareness of the target language
