

12th International Congress on Ericksonian Approaches to Psychotherapy. Conversational hypnosis - for the clients' solutions /

Erickson, Betty Alice,
teacher

Instructional films.

Conference papers and proceedings.

Material Projectable

Client perspectives can be understood through conversational hypnosis by tuning in to underlying meaning. Ideas can be presenter in indirect ways. They get to choose what fits them the best. Educational Objectives: 1. List three ways to offer new perspectives to clients. 2. Given the patient, describe three ways to surmount client reluctance to proceed more adaptively
