

(Re)hacer la Teoría Crítica para una (re)lectura feminista [

2023

text (article)

Analítica

The present article is based on the conviction that feminism has something to say about Critical Theory, be it about participation, reification, capitalism, crisis, or even about the processes of subjectivation in general. Feminist Critical Theory refuses to abandon the general theoretical terrain because women have been expelled from it. This theoretical inflection is mobilized by the conviction that feminism can and must shape the critical gesture; whether or not this gesture is exercised on patriarchy and male domination
