Monografía

Joyce Carol Oates assembles a spectacular cast to explore, subvert and reinvent one of horror's most visceral of subgenres. Focusing on distortions of the human body, the fifteen short stories of *A Darker Shade* will delight, disgust and shock you. From the metaphysical horror of a snail trapped in body of a young office worker, to a women cursed to dance endlessly, her body ravaged and torn, these are stories that confront the inextricable link between physical and mental terror. --
