

Les actions du temps

Pamphlets- History.

Monografía

"In this pamphlet the author responds to three almanacs he has seen. He decided to go into the street and listen to what people are talking about. He refers to the activities of the university, a priest, a Jesuit, a Huguenot, a bourgeois, an officer, a judge, a peasant, a merchant, a physician, a financier, etc. With satirical remarks about Duplessis-Mornay, Sully, et al."--French Political Pamphlets Digital Collection, Brigham Young University
