Monografía

Relations between China and Russia have evolved dramatically since their first diplomatic contact, particularly during the twentieth century. During the past decade China and Russia have made efforts to strengthen bilateral ties and improve cooperation on a number of diplomatic fronts. The People's Republic of China and the Russian Federation maintain exceptionally close and friendly relations, strong geopolitical and regional cooperation, and significant levels of trade. In *The Future of China-Russia Relations*, scholars from around the world explore the current state of the relationship be
