

# The Philosophy of Sherlock Holmes

Tallon, Philip

The University Press of Kentucky,  
2012

Monografía

Arguably the most famous and recognized detective in history, Sherlock Holmes is considered by many to be the first pop icon of the modern age. Sir Arthur Conan Doyle's fictional detective has stood as a unique figure for more than a century with his reliance on logical rigor, his analytic precision, and his disregard of social mores. A true classic, the Sherlock Holmes character continues to entertain twenty-first-century audiences on the page, stage, and screen. In *The Philosophy of Sherlock Holmes*, a team of leading scholars use the beloved character as a window into the quandaries
