1001 Walks You Must Experience Before You Die features wide-ranging, carefully chosen routes varying from the rugged delights of the Pembrokeshire Coastal Path to the wilderness of Jamaica, and the Harz Witches' Trail high up in the German mountains. The hand-picked excursions take in mountain passes, woodland paths, ancient Native-American trails, and much more. There are easy walks for beginners-some lasting barely an hour - and more demanding challenges that may take several weeks to complete. Every fact-packed entry provides a wealth of information about a must-try walk, including essential details about its start and finish points, overall distance, difficulty rating, maps, and the time it should take to complete
