Pray, Richard,
editor

Handbook

Handbooks and manuals.

Handbooks and manuals.

Guides et

manuels.

Monografía

"Current building costs for residential, commercial, and industrial construction. Estimated prices for every common building material, the labor cost to install the material and a total 'installed' cost. For those jobs where you can't rely on your past experience to estimate, rely on the prices in this national standard of construction costs to get you safely in the ballpark."--
