Expectant parents spend countless hours prepping for their baby's arrival, but once the baby is born, there are only six things a new dad really has to know how to do. The Babyp1(Bs Guide to Surviving Dad teaches new dads those six things. Called a book for "adults who need a laugh to survive parenthood" by Kirkus Reviews, kids will also love this cute, quirky picture book, and the on-the-snotty-nose depiction of fatherhood told from a baby's point of view will have new parents laughing (and crying) their sleep-deprived eyes out. Perfect for a first Father's Day, a baby shower, or a baby welcoming gift
