Walker, 2004

Children's stories, English

Children's short stories

Children's fiction.

Monografía

How did the rhinoceros get his wrinkly skin? Why won't cats come when they're called? How did one curious elephant with a nose for trouble change the lives of all elephants everywhere? These eight best-loved stories give inspired answers to these and other intriguing questions. Each story is illustrated by a different major contemporary picture-book artist
