

# Adolescentes en conflicto con la ley: el fenómeno del sicariato en México [

2023

text (article)

Analítica

The main purpose of this article is to expose the phenomenon of hitmen through the participation of adolescents, who in recent years have been used as the armed wing of organized crime in México to perpetrate high-impact crimes such as, for example: kidnappings, homicides, femicides and even crimes against health; the main problem focuses on establishing, on the one hand, the low custodial sentences that are given to adolescents depending on the age group to which they belong in accordance with the National Law of the Comprehensive Justice System for Adolescents and, on the other hand, yes, the simple fact of being adolescents does not have the capacity to understand and understand the illegality of their actions in accordance with the theory of the crime in order to obtain a sentence proportional to the rights of the victims
