Monografía

"Years ago, Jacob Kurtz was a happy family man, long-retired from the life of crime he was raised in. Then the police made him the prime suspect in a horrible crime and ripped his life apart. Now Jacob is less than a shadow of his former self, an insomniac who roams the city at night, looking for anything to distract him from his empty bed. Until he walks into the wrong place at the right time, and one bad night starts Jacob down a twisted path to kidnapping, robbery, murder-- and just maybe the answer to the mystery buried in his past"--
