

Black Gold Finale

Dorrance Pub Co ;,
2009

Fiction. Alternative histories (Fiction) Fiction. Romans.

Monografía

It is March 2013. The 2012 U.S. elections have just been fiercely fought at a level of intensity that made 2004 and 2008 look mild. The key issue has been energy. The world is in an energy crisis. China wants energy and the world is in crisis...Will it be war?
