

A Call to Conference: Briggs Initiative Upon Us! A Time to Consider! To Move! A Crisis of Vast Proportions! /

Letter

Monografía

Two pages typed on yellow paper, dated Sept. 1, 1977, containing a second rough draft of a call to meet at a conference to oppose the Briggs Initiative, a California proposition of 1978 that would have barred homosexuals from working in public schools. It is to be sent out under the letterhead of the CDC Gay Caucus. Hand-written notes on the back of the second page, which displays the actual letterhead of the Stonewall Democratic Club, appear to list symptoms of a psychological disorder
