

Citizenship and residence sales : rethinking the boundaries of belonging /

Kochenov, Dimitry (1979-),
editor
Surak, Kristin (1976-),
editor

Monografía

"This book offers the first multi-disciplinary exploration of both citizenship and residence by investment on a global scale by providing an informative and empirically-grounded assessment of the origins, operation, and main causes of the global investment migration trend. It addresses key issues in belonging, exclusion, and inequality that define the world today"--
