Título: Dual algebras with applications to invariant subspaces and dilation theory [expository lectures from the Conference Board of the Mathematical Sciences] by Hari Berkovici, Ciprian Foias and Carl Pearcy

Editorial: American Mathematical Society, Providence, R.I. 1985

Descripción física: XI, 108 p. 26 cm

Mención de serie: Regional conference series in mathematics 56

ISBN: 0-8218-0706-4

Materia: Álgebras L1.

Autores: Foias, Ciprian, coautor Pearcy, Carl, coautor

Entidades: Conference Board of the Mathematical Sciences. otros
