Monografía

New town, new college, new people, Edie's feeling overwhelmed. What if nobody wants to be her friend? But then something happens that turns her life upside down: Edie spots Dylan. Messy-haired, pouty, frustratingly elusive Dylan. Fast forward to the college trip to Paris and things are really heating up. In between the shopping, the clubbing, the kissing, and the making up, something happens between Edie and Dylan that changes both their lives for ever. But do boys like Dylan ever play for keeps?
