Monografía

Stockperson training represents an integral component of any successful farm operation. This resource guide was developed to assist swine producers, farm managers, extension specialists, and others in locating educational resources regarding swine housing, care, and welfare. The guide contains a detailed listing of training materials, books, selected web pages, and an extensive bibliography. Farm managers, extension agents, and others, are encouraged to be creative with the resources listed and integrate their use into their regular farm training programs
