Monografía

What are the consequences of how Jews are depicted in movies and television series? Drawing on a host of movies and television series from the 1970s to present day, *Jews in Contemporary Visual Entertainment* explores how the media sexualize and racialize American Jews. Race and sexuality frequently intersect in the depiction of Jewish characters in such shows as *The Marvelous Mrs. Maisel*, *UnREAL*, *The Expanse*, and *Breaking Bad*, and in films such as *Hester Street*, *Once Upon a Time in America*, *Casino*, *Radio Days*, *Inglourious Basterds*, and *Barton Fink*. When they do, American sexual norms are invariably challenged or outright broken by these anti-Semitic representations of Jewishness
