Monografía

Jaded gun-for-hire Simeon Pope takes what he thinks will be a routine job. But he finds himself working for both sides of a divided family: the man who wants his errant brother disposed of, and the father who wants his prodigal son safely found ... Confronted by a bad man, a mad man and a lawman, Pope must find a way to satisfy all his clients, impress the woman he desires - and stay on just the right side of the law
