Monografía

After the death of her parents in a bombing raid, Mary Jones discovers a secret in the pages of her father's diaries. Her search for the truth brings her to Cliffehaven on the south coast. Here she finds work at the Kodak factory, sifting through the airgraphs, which are being sent from all over the world by the men and women in the armed forces and by their loved ones. All the while she longs for news of her own sweetheart fighting in Europe
