Surrogate Lover - A contemporary tale of lust and love in the 90s. He's a surrogate sex therapist who has all the answers and control. He thought he'd seen and done it all, but he'd never met Sarah. Snowbound - A delicious sensuous regency tale. In Snowbound, the marriage shy Earl of Howden is teased and tortured by his own desires and finds there is a woman who can equal his overpowering sensuality. Roarke's Prisoner - Step into the future with Roarke's Prisoner. Elise, a starship captain, remembers the eager animal submission she'd known before at her captor's hands and she refuses to become his toy again. However, she has no idea of the delights he's planned for her this time. Savage Garden - Savage Garden tells the story of Raine's capture by a mysterious and dangerous revolutionary leader in Mexico. At first her only concern is survival, but she quickly finds lush erotic nights in her captor's arms
