Monografía

Spynosaur is secret agency Department 6's not-so secret weapon. Created by mysterious science rays, Spynosaur has the mind of a super spy and the body of a dinosaur. Dedicated to protecting the world from criminal masterminds, this prehistoric powerhouse dishes out justice and puns to a host of eccentric enemies. But when he and his sidekick daughter Amber are sent to rescue a captured fellow agent, Spynosaur becomes embroiled in a plot to frame him. Can he and Amber clear his name in time to save the world?
