"The Christmas season is a minefield of terrors: the family get-togethers with weird uncles, the sloppy office parties, the annoying ten-page Look-at-Us holiday letters--and we haven't even mentioned the Black Friday mobs and that wretched Alvin and the Chipmunks song that plays every ninety minutes on Pandora, whether you like it or not. And don't forget the PC police lurking around every corner looking to beat the last bits of joy out of our society. Merry Christmas? Really? 'Tis the season to recapture the wonder of Christmas, in our hearts and in our homes and even out in the public square. The Christmas Virtues is a humorous companion for, and guide to, navigating the trials and tribulations of the holiday season. It's a reminder of how we can embrace the joy, hope, and love of Christmas. And it's a call for us to stand up on behalf of Christmas because America needs it now, more than ever." --
