Violet Wheeler is down on her luck. She's lost everything, and with no-one to turn to, she has to rely on the goodwill of the community to help her out. At the Jubilee drapers, amongst the spools of ribbon, skeins of silk and latest 30s fashions, Violet finds a refuge. She's offered a chance to get back on her feet, and with that an unexpected chance to find love. It's only when a forgotten piece of jewelery with a mysterious note surfaces that Violet is thrown back in to the past again, and starts to wonder what secrets there might be in her family's history. As Violet becomes desperate to find answers about her family, it could threaten the stable life she's been building. Can Violet find a happy ending against all the odds?
