"Leo Bailey may have been born to poverty, but ruthless business sense and sparkling intelligence have made money worries a thing of his past. It doesn't hurt that the Devil himself has granted Leo the ability to read the future. But even infallible predictions are a déclassé commoner's trick to some members of the ton. They'll never see Leo as their equal - one good reason to prove himself their better. And a noble marriage is an obvious start. Bookish Anne Hartfield, daughter of a baron, is hardly the flashiest miss on the marriage market. But her thoughtful reserve complements Leo's brash boldness in an attraction neither can deny. A whirlwind courtship sweeps Anne and Leo into a smoldering marriage before either can believe their luck. But happiness built on Leo's dark powers can't last. Soon, Anne will have to save her husband ... or lose her heart"--Page 4 of cover
