Eleven-year-old Pete isn't scared of the forest. He's lived there for a long time, and if anything goes wrong, Pete can always count on his best friend, Elliot. There's just one thing about Elliot, he's a giant flying dragon. One day, Pete is discovered in the forest by a group of people. They take him back to town in search of answers. Where is Pete from? How did he survive alone in the forest? And most important, who is Elliot?
