Nurses Instruction

Monografía

Deliver safe, accurate care during electrocardiographic monitoring, with the newly updated ECG Interpretation Made Incredibly Easy! Sixth edition. This easy-to-follow, fully illustrated text explains the basics of cardiac physiology, then leads you through recognizing and treating arrhythmias, with step-by-step guidance on current medications, devices, and monitoring equipment. Take advantage of this real-world, expert nursing advice to reinforce your class materials, prepare for the NCLEX or certification exam, and strengthen your ECG interpretation skills
