Science

After years of Earthbound exile, the Silver Surfer soars the seas of space once more and finds plenty of peril awaiting when the Elders of the Universe try something new: all-out war on Galactus! Plus: space piracy, intergalactic war, doppelgangers and the Surfer caught in a four-sided interstellar love triangle! Guest-starring the Fantastic Four, the Eternals, and Annihilation's Ronan and Super-Skrull! Plus: a rare glimpse of a path not traveled on an alternate Earth!
