

Grandpa was an astronaut /

Meres, Jonathan,
author

Children's stories

Dyslexia friendly children's fiction.

Fiction.

Juvenile works.

Monografía

Sherman loves the moon and he loves his grandpa even more who has actually been to the moon! Grandpa was an astronaut and has a chunk of moon rock on his mantelpiece. Playing space games with Grandpa is one of Sherman's most favourite things ever so he's thrilled to hear that's exactly what a visit to Grandpa will involve. High quality cream paper and a special easy to read font ensure a smooth read for all
