Contains a list of 8,877 Hamburg Jews who were murdered during the Nazi period, giving date and place of birth, and the date and destination of their transport. It is estimated that close to 10,000 of Hamburg's Jews - i.e. Jews who were born in Hamburg or lived in Hamburg during the Nazi period, or Jews who lived in Hamburg until 1933 and left the city - perished in the Holocaust; not all the names are known.
