Fiction.

Romantic suspense fiction.

Monografía

CHERRY ADAIR "Tropical Heat" When Dr. Elizabeth Goodall is kidnapped and held captive in the African jungle, her only hope for rescue is counterterrorist operative Sam Pelton. But to escape from a brutal warlord, they must confront a powerful attraction that could prove more treacherous than the wilds of the jungle ... LORA LEIGH "Atlanta Heat" Em Delaney has wanted bad-boy Macey March for as long as she can remember. But as a Navy SEAL under the command of her overprotective godfather, Macey is off-limits to Em ... until a kidnapping attempt forces them to share tantalizingly close quarters-and a forbidden desire. CINDY GERARD "Desert Heat" Assistant D.A. Elena Martinez never wanted to fall for police detective Seth King. When they are teamed up on a charity hike in the Grand Canyon, however, their chemistry sizzles under the desert sun. But a vengeful drug lord is determined not to let them survive the canyon with their lives-and love-intact ...
