

The American Civil War and Reconstruction : 1850 to 1890 /

Wallenfelt, Jeffrey H.,
editor

Britannica Educational Pub. in association with Rosen Educational Services,
2012

Monografía

While the United States represents freedom to many, much of its history tragically includes the enslavement of a large portion of its population. When the fight for emancipation came to an epic head, civil war ensued and the country was divided as never before. Inflamed passions on both sides of the slavery debate inspired fervent rhetoric, much of which is reflected in the primary source documents interspersed with the text in this thought-provoking volume, which chronicles the events of the American Civil War and the Reconstruction period that followed
