

The Little Book of Doctors' Rules: A Practical Guide to the Art of Healing

Meador, Clifton K.

Aphorisms and Proverbs

Monografía

"In this book, Dr. Meador draws on his nearly sixty-year medical career for nuggets of advice with both compassion and humor. Although there may not be a defined medical disease behind every physical symptom, Dr. Meador reminds us that the reason behind a symptom may be found if a doctor observes and listens carefully to a patient. He believes an effective physician treats a patient, not just a patient's disease"--
