Monografía

"This collection features over 120 pages of vintage Crumb comics starring the white-bearded, diminutive sage-cum-charlatan, ranging from charming, free-wheeling early '70s stories to the disturbing, controversial '90s stories (as seen in the Crumb movie), including the entire 40-page 'Mr. Natural and Devil Girl' saga from Hup! (collected here for the first time in book form)"--Publisher's web site
