Michael Andrews had everything: a loving family, a great girlfriend and a promising basketball career. Then an accident takes his life. Now he's a ghost wandering among the living, struggling to understand why he's stuck. All he wants is to move on that is until he meets Sarah, an attractive young girl who died just as tragically as he did. The only trouble is that falling in love and binding oneself to another soul is forbidden. There's more trouble when Michael has demons after him because the devil wants him. Can Michael get to heaven before the devil gets him first? And if it means leaving Sarah, is he sure he still wants to go?
