Fictional Work Family sagas Novels. Fiction. Domestic fiction. Novels. Domestic fiction. Romans.

Monografía

An intimate family saga rooted in the Thompson-Shuswap region of British Columbia, and saturated with the history of the place. The novel hovers beautifully in the fluid boundary between past and present, between the ordinary world and the world of the spirit, all disordered by the human and environmental crises that have knit the white and Native worlds together in love, and hate, and tragedy for 150 years
