Monografía

"Step back in time to the Ottoman Empire at Alanya's medieval citadel, and relax in a café in the atmospheric old village. Cling on for dear life as you surge down the rapids in the Köprülü Canyon - Turkey's top spot for white-water rafting. Stroll around the 2nd century Roman temples of Apollo and Athena, situated by the pretty harbour at Side. Haggle to your heart's content at the colourful People's Market - a vibrant bazaar offering all manner of Turkish and international paraphernalia."--P. [4] of cover
